

8 FIBRE OPTICAL FIBRE ENCLOSURE MEDIUM

This IP65 fibre enclosure offers the ability to terminate 8 fibres housed in a strong ABS enclosure, suitable for both indoor and outdoor applications and is lockable with a key. The enclosure has a detachable front door and hinged/detachable splice tray that allows for easy access during installation or re-work. There are 2 exit points and 1 incoming entry points, with integrated jubilee clip to ensure secure cable installation. Both the entry and exit points uphold the IP65 rating.

FEATURES

- IP 65 rated
- Lockable front door
- Supports up to 8 fibres
- Detachable front door
- Hinged/detachable splice trays assists installation
- Accepts loose tube, distribution and pre-terminated cables
- Sealing glands for up to 8 cables
