

8 FIBRE OPTICAL FIBRE ENCLOSURE SMALL

This IP65 distribution box offers the ability to terminate 8 fibres housed in a robust ABS enclosure for indoor and outdoor applications. The product has a lockable door with a key. The enclosure can support the use of SC Simplex and LC Duplex adaptors, a hinged splice tray allows excess fibre to be stored. There are four exit points for patching and one incoming cable entry point. An integrated cable strength member and tie positions ensure incoming cables are secured.

FEATURES

- Supports up to 8 fibres
- Hinged / removable splice tray assists installation
- Multiple adaptor options available
- IP 65 rated
- Accepts loose tube, distribution and pre-terminated cables
- Sealing glands for up to 4 exiting cables and 1 incoming cable
- Supplied with heat shrink splice protectors
- Supplied with wall fixings
