

96 FIBRE OPTICAL FIBRE ENCLOSURE EXTRA LARGE

This IP65 fibre enclosure offers the ability to terminate 96 fibres housed in a strong ABS enclosure, suitable for both indoor and outdoor applications and is lockable with a key. The enclosure has a hinged/detachable adaptor tray that provides an immaculate solution supporting 48 SC Simplex or LC Duplex connections and splices. There are 4 knockouts for both entry and exit cables, with integrated cable clamps to ensure secure installation. Both the entry and exit points uphold the IP65 rating when using the grommets provided.

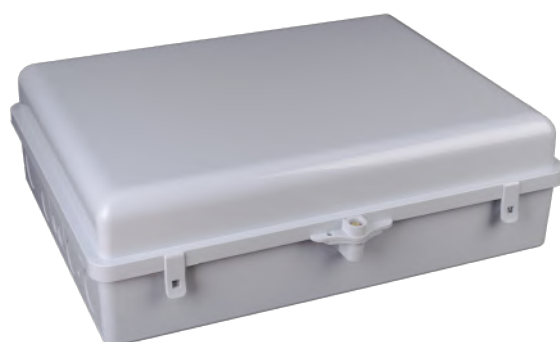

FEATURES

- IP 65 rated
- Lockable front door
- Supports up to 48 connections and 96 splices
- Hinged splice trays assists installation
- Removable adaptor plate for easier access during installation
- Accepts loose tube, distribution and pre-terminated cables
